

## **Ways to Give to *God Centered Life***

Giving of our tithes and resources is an integral part of our corporate worship because it is a unique expression of gratitude to God. When we give, we celebrate all that God has given for us, especially His incredible grace in our lives through the shedding of Christ's blood on the cross to reconcile us to Himself. God owns everything and when we give, we are simply giving back of portion of what He has entrusted to our managing. Giving to your local church is a priority. After that, please prayerfully consider giving to *God Centered Life*.

After you have determined what you will give, we have several methods which you may use to support the ministries efforts of *God Centered Life*.

- Check. One of the most common ways is by check. You can mail them or utilize online.
- Online. More and more individuals are choosing the electronic method of making contributions online just like they are paying many of their bills online. With the security of your information of highest importance, you can rely upon our online giving site to set up a one-time, or recurring gift of whatever amount you choose, and however often you choose. And it is easy to change the amount or frequency whenever you wish. Click the online giving link at the bottom of the page.
- Gifts of Stocks, Mutual Funds and Cryptocurrency. You may donate stocks, mutuals funds or cryptocurrency directly to *God Centered Life* by transferring them from your broker to the ministry's broker. Although you should consult your tax advisor, giving in this way may provide you a tax advantage. There may also be small numbers of shares you own that you would rather move out of your portfolio but would prefer not to handle all the paperwork involved. *God Centered Life* is pleased to be able to expedite those transactions for you. Please contact our executive director, Tony DiLeonardi for specific instructions: [Tony@godcenteredlife.org](mailto:Tony@godcenteredlife.org)
- Gifts through your Will. *God Centered Life* would count it a privilege for you to remember us as one of the beneficiaries of your estate. Monies given to GCL as a 501(c)(3) non-profit may save estate and inheritance taxes on the amount designated.
- Memorial gifts. You may request that gifts from others in memory of you at your death be made to *God Centered Life*. Likewise, you may give to *God Centered Life* gifts in honor of a loved one who has passed away. It is just one more way of making your gifts count toward Kingdom Work.
- Required Minimum Distributions. If you are required to withdraw a portion of your IRA, you can direct your IRA custodian to make a direct transfer to *God Centered Life* as a 501(c)(3) non-profit. Again, consult your tax advisor, but the amount withdrawn may not have to be added to your gross income at tax time.
